via **Video Conference (21-23 October 2020)**

Action required: Submit PBN Implementation Progress Report Form, Registration Form and papers
for discussion **by 7 October 2020**

Sir/Madam,

I have the honor to invite your State/Administration to participate in the Seventh Meeting of the Performance Based Navigation Implementation Coordination Group (PBNICG/7) which be held in video conference from 21 to 23 October 2020. To ensure effectiveness and efficiency of conducting the meeting through video conference, the draft agenda is revised focusing on the core business of the meeting.

The PBNICG has the primary aim to support, harmonize and prioritize the implementation of PBN. At this meeting, progress will be given on the implementation of the Regional Transition Plan on PBN approach chart identification. As PBN implementation in the region is still facing many challenges, this meeting will also address Continuous Descent Operations/ Continuous Climb Operations (CDO/CCO). I then would like to invite your State/Administration to share your experience on the implementation of CDO/CCO.

It is strongly recommended that States and International Organizations should submit PBN Implementation Progress Report as well as Working Papers/Information Papers on any PBN specific issues, which should be received **by 7 October 2020**, via email to the APAC-RSO@icao.int. Forms and templates of the meeting can be downloaded from the website of the Asia and Pacific Regional Office at <http://www.icao.int/APAC/Meetings/Pages/default.aspx>.
