Ref.: T 3/10.1.17 – AP119/20 (ATM)

02 June 2020

Subject: Postponement of the Twenty-Fifth Meeting of the Regional Airspace Safety Monitoring Advisory Group (RASMAG/25)

Action required: To reply and submit paper(s) by **01 October 2020**

Sir/Madam,

Reference T 3/10.1.17 – AP112/19 (ATM) dated 19 September 2019, the ICAO Regional Office has determined the necessity to postpone the Twenty-Fifth Meeting of the Regional Airspace Safety Monitoring Advisory Group (RASMAG/25) meeting until 27 – 30 October 2020.

It should be noted that a decision on the format of the meeting has not been made, due to the fluid nature of the pandemic and any associated restrictions on economies, travel, etc. Considering that this is an APANPIRG Subgroup-level meeting, the Regional Office expects to determine the best format during the third quarter of 2020 in conjunction with the Chair, and advise this information in a later State Letter with as much notice as possible. States and Administrations should, however, prepare for the possibility of a face-to-face meeting in the event that this is possible. I am requesting that you kindly provide the name(s) of the delegate(s) from your Administration who will be attending the meetings by **Friday 01 October 2020**.

Given the extended period available and the possible congested fourth quarter planning for Subgroups and perhaps APANPIRG itself will mean a very high Secretariat workload during that period, participants should note that the cut-off for submission of papers and status reports must be strictly abided by. Papers which are not received by **Friday 01 October 2020** will be either declined or posted as a flimsy, which will not be read during the meeting.

Yours sincerely,

Arun Mishra
Regional Director
