**Fourteenth Meeting of the Collaborative Arrangement for the Prevention and Management of  
Public Health Events in Civil Aviation Asia Pacific (CAPSCA-AP/14)**  
*Web Conference, 17 June 2021, 09:30 -11:30 a.m., UTC+7*

Sir/Madam,

I have the honour to invite you and your representatives to participate in the Fourteenth Meeting of the Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation - Asia Pacific (CAPSCA-AP/14) which will be held virtual on 17 June 2021 from 09:30 a.m. to 11:30 a.m. Bangkok time (UTC+7). This meeting invitation includes both CAPSCA Member States and non-CAPSCA Member States in the APAC Region. The meeting will be conducted in collaboration with the World Health Organization (WHO).

The meeting will present updates on CAPSCA engagement with the ICAO Council Aviation Recovery Taskforce (CART) with a focus on the public health related CART Recommendations and implementation, development of Take-off Guidance Document (TOGD) and Testing and Cross-border Risk Management Measures Manual (Doc. 10152) and revisions, and the Public Health Corridor (PHC) implementation. Information on the development and amendments of ICAO Annex 9 SARPS would also be presented. The meeting agenda includes latest updates from the World Health Organization, ICAO APAC Member States as well as International Organizations.

ICAO's close CAPSCA partners, Airports Council International (ACI), International Air Transport Association (IATA) and Civil Air Navigation Services Organization (CANSO) are also invited to attend and make presentations and updates relevant to the meeting.

It is strongly urged that States engage CAPSCA focal points, Civil Aviation Authority personnel, Airports, Air Navigation Service Providers, Airline representatives and other relevant Stakeholders including public health authorities who deal with public health emergency preparedness planning to participate in this meeting. You are kindly requested to forward this invitation to your counterparts in the Ministry responsible for Public Health and other concerned agencies as well.
