

Beneficial of Lao PDR from implementing ICAO FAL iPack

Department of Civil Aviation

Vientiane Capital

Lao PDR

3 June 2021

ICAO FAL iPack

ICAO FAL iPack provides:

- SME expert and training in developing the legislation and measures for the compliance of Annex 9.
- Necessary and important guidance in making our local regulations to comply with Annex 9.
- For the revision and finalize on the role and function of National Air Transport Facilitation Committee and Programme to meet the SARPs of Annex 9.

Aiming for:

- ▶ Close cooperation between authorities concerned providing CIQ services and service providers at the Airport .
- ▶ In-depth understanding on FAL SARPs to Ministries concerned and other airport stakeholders providing services at airport.
- ▶ improvement of procedures for border control and clearance.
- ▶ The improvements in clearance control formalities by removing unnecessary obstacles and delays.
