Three recommendations complementing the original 11 recommendations of the CART Report

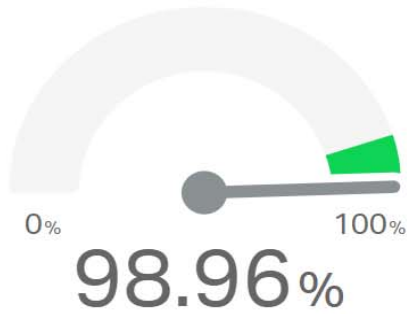

Recommendation 12 – Aviation safety-related measures (implement necessary measures to mitigate risks associated with prolonged regulatory alleviations and should not extend alleviations beyond 31 March 2021 and to facilitate access to medical and training facilities to national and foreign flight crews to maintain their certification and proficiency)

Recommendation 13 - Testing and cross border risk management measures

Recommendation 14 - Public Health Corridors (States considering PHC should actively share information with each other to implement PHCs in a harmonized manner)
