SAR Performance Indicators

The following is a bank of indicators based on the Asia/ Pacific SAR Plan's performance improvement section, that can be used to assess whether an administration is either compliant or not and to internally evaluate their implementation status of the Asia/ Pacific SAR Plan. For each of the 41 elements (or as indicated in red), please indicate implementation status with either a 0 (not implemented) 0.5 (50% implemented), or other partial implementation may be indicated such as 0.1 (10% implemented). Indicate a 1 if the indicator is not applicable.
