APAC Office Webinar for the 10th Anniversary of the ICAO State Action Plan (SAP) Initiative on CO2 Emissions Reduction

Conclusions & take away message

Peter Dunda & Sayuta Senobua

ICAO APAC Regional Officers

22 April 2021

Conclusions

- SAP will enable States **to communicate information** on actions to address CO2 emissions from international aviation to ICAO.
- This **10-year anniversary** is an opportunity to encourage all States to develop and update their **fully quantified** State Action Plans.
- In order to develop a robust SAP and to include new activities within a SAP, **continuous coordination with the existing or new stakeholders** is essential.
- Regular updates of the SAP are essential **to fully deliver the benefits** of the initiative at the national level.
- Participation in the CORSIA will **bring us closer to meeting the ICAO global aspirational goal** of carbon neutral growth from 2020.

Take away message

- ICAO support its Member States to update and submit their Action Plan by **June 2021**;
- Incorporate the **CORSIA process** and **innovative measures** into your State Action Plan;
- Make sure your **action plans will be practical and concrete means** for showcasing the plans of your State;
- Provide input to ICAO ROs for **tailored assistance**;
- Active and communicative;
- SAP10 will be celebrated throughout 2021:
 - SAP FPs are encouraged to conduct national activities
 - ICAO ROs are available to support
 - Aim to raise awareness of ICAO's work on environmental protection
- Submit your 2019 and 2020 CORSIA reports.
