Working Group via Video Teleconference**

M A S T E R M A R K

### **Mastermark Pte Ltd**

For over 40 years, Mastermark has grown to become the trailblazer of Singapore's Bird and Wildlife Management, aiding a wide array of industries and sectors. We have worked with hundreds of organisations, both government and private clients and are currently the principal wildlife consultant for Changi Airport Group.

Balancing the intricacies of wildlife and human conflicts through new technologies, innovations, turning consultancies into implementable solutions has always served as our steering guide for our clients.
