Ref.: T 3/9.13, T 3/10.1 – AP025/22 (ATM)

23 February 2022

Subject: GADSS Workshop and Seventh Meeting of the
ICAO Asia/Pacific Search and Rescue Working Group
(APSAR/WG/7) (*Video Teleconference, 23 - 27 May 2022*)

Action required: 1) To submit paper(s) and presentation(s) by **6 May 2022**; and
2) to complete online registration by **13 May 2022**

Sir/Madam,

I am pleased to invite your Administration to participate in the Global Aeronautical Distress and Safety System (GADSS) Workshop and Seventh Meeting of the ICAO Asia/Pacific Search and Rescue Working Group (APSAR/WG/7) which will be held by Video Teleconference (VTC), from 23 – 27 May 2022.

The GADSS Workshop, to be held on 23 May 2022, is intended to familiarize States, airspace users and international organizations with the ICAO provisions for tracking of aircraft in distress, the Location of an Aircraft in Distress Repository (LADR), and procedures and preparatory steps for SAR satellite service providers, aeronautical regulators, SAR authorities and ANSPs. The workshop programme is under development, and will be uploaded to the meeting web-page in due course.

Enclosed herewith are the GADSS Workshop and APSAR/WG/7 Provisional Order of Business (**Attachment A**), APSAR/WG 7 Provisional Agenda (**Attachment B**) and Video Teleconference Instructions (**Attachment C**). I request that you kindly complete online registration(s) of the delegate(s) from your Administration that will be attending the meetings by **Friday 13 May 2022** in which the link is provided at the meeting webpage.

In order to make the APSAR/WG/7 meeting more productive and effective, it is strongly urged that States/International Organizations submit papers to the meeting **no later than two weeks prior to the meeting date**, via email to the Regional Office. In the event that papers are received after **Friday 06 May 2022**, these will normally be treated as a flimsy. Participants should obtain meeting materials from the ICAO Regional Office website at <http://www.icao.int/APAC/Meetings/Pages/default.aspx> prior to the commencement of the meeting.

2/...

States and Administrations should come prepared to the meeting to provide a documented status report on the implementation of the following matters, which will require internal research and the readiness of the meeting participants:

- 1) Regional *SAR Plan* Monitoring and Reporting Form; and
- 2) ANS Deficiencies – each deficiency relevant to the meeting to have an update on the implementation of any corrective actions.

Please note that the status updates should not be provided by ad hoc working or information papers, but will be requested State-by-State when the meeting reaches the relevant agenda item. However, if the status report is available well before the **Friday 06 May 2022** Working Paper cut-off date, then States and Administrations are encouraged to send this data to the meeting Secretariat so it can be included in the relevant ICAO Working Paper.

Finally, the Regional Office would like to encourage States to consider commencing research for, and development of, papers for the meeting as soon as possible after receiving this invitation. In past years, papers have often been received late because some States wait until the participants have been selected, rather than developing well-researched papers collectively, within their organizations.

Participants should note the following VTC modalities:

- VTC link details will be sent to registered participants in the week before the meeting;
- only registered participants will be admitted to the meeting;
- there will be a focus on topical agenda items, with particular regard to matters concerning the COVID recovery;
- Information Papers (IPs) will not be read during the meeting;
- each day of the meeting is expected to be conducted in two sessions of between two and three hours each, with the possibility of a ‘rest day’ or a free afternoon to enable catchup;
- recording of the VTC will be conducted for the Secretariat, but not for public dissemination.

Yours sincerely,

Tao Ma
Regional Director

APSAR/WG/7 VIDEO TELECONFERENCE INSTRUCTIONS

WHEN SIGNING IN

1. Option 1 To join the meeting via the Microsoft Teams app:
 - a. Download the Microsoft Teams app; and then
 - b. Click **here to join the meeting** in the meeting invitation email and Click **Open Microsoft Teams**.
2. Option 2 To join the meeting using web browser:
 - a. Click **here to join the meeting** in the meeting invitation email; then
 - b. Click **continue on this browser**; and
 - c. Enter your STATE or IO name first, followed by your full name (as used on the APSAR/WG/7 online registration) in the Enter Name box. Example: *ICAO Prakayphet Chalayonnawin*; then
 - d. Click **Join now**.
3. Sign in not less than 10 minutes before the VTC commencement time notified in the invitation email.
4. **Ensure your microphone is muted and your video camera is turned off.**

YOUR WORKING ENVIRONMENT

1. Please ensure that you join the VTC from a room or office where background noise/conversation is minimized or, preferably, excluded.
2. If your State or organization has more than one participant, they should join the VTC from separate rooms/offices, except if all are sharing one computer and log-in.

DURING THE VTC

1. If you wish to speak, send a CHAT message using the interface in the VTC, e.g. *Thailand wishes to speak*, or *Thailand question*.
2. If you have a question but do not wish to speak, use the Pigeonhole application that will be available at all times during the VTC.
3. Unmute your microphone only when invited by the Chair to speak. Always mute your microphone when finished speaking.
4. The Chair and/or Secretary will manage the screen and all presentations, unless specifically arranged otherwise. Speakers should identify the relevant paragraph number/s as they progress through their paper, or indicate *next slide* in a PowerPoint presentation.
