

**Second Aviation Medical Examiner Refresher Workshop
Manila, Philippines | Makati Diamond Residences
12- 13 December 2022**

Closing Remarks for Atty. Frank Edward G. Marty

Dr. Manjit Singh, ICAO Asia Pacific Deputy Regional Director General, Dr. Ansa Jordaan, the Section Chief of ICAO Aviation Medicine, Aviation Medical Examiners and Experts from various civil aviation authorities in Asia and the Pacific, distinguished guests, ladies and gentlemen, a very pleasant afternoon.

It gives me great pleasure to address you all in the closing of this Second Aviation Medical Examiner Refresher Workshop.

Allow me to thank Dr. Ansa and all the resource persons for sharing their knowledge and expertise on the latest development in aviation medicine and standards. I'm very positive that all the participants have gained valuable learnings from their sharing.

Thank you to all the participants, who attended and actively engaged in this workshop. Your partaking in sharing your experience and insights have greatly contributed to the success and achievement of the objectives of this activity. May all your learnings in here will aid and guide you in every aeromedical decision you will make,

Lastly, heartfelt thanks to ICAO-Regional Office and ICAO Aviation medicine Section for this opportunity.

Once again, Congratulations everyone. I hope you make most and enjoy the rest of your stay here in the Philippines.
