Work Plan of 2022

APAC FFP Training Organizing Plan

Date	Activities	Location	Participants	Strategic Objectives
Training:				
1	14 - 25 Mar Flight Procedure Design Course- Module 1 (main topic: Foundation skills & SIDs)	Online	FPP/APAC States	Expand Value Creation
2	9 – 20 May Flight Procedure Design Course- Module 2 (main topic: 2D approach, NPA& RNP APCH)	Online	FPP/APAC States	Expand Value Creation
3	5 - 6 Jul QA workshop (Whole process for IFP design and flight validation)	Online workshop	FPP/APAC States	Expand Value Creation
4	19-30 Sep Flight Procedure Design Course- Module 3 (main topic: 3D approach, ILS & Baro-VNAV)	Online/onsite	FPP/APAC States	Expand Value Creation
5	7-11 Nov RNP AR refresher course	Online /onsite	FPP/APAC States	Expand Value Creation

1.Course which include Module1-3(online), PAN-OPS initial, PBN, Refresher, RNP-AR, Helicopter PinS and so on :

- a. Participants number **limitation**
- b. Participants performance **requirements**
- c. **Certificate** by ICAO APAC FPP
- d. **Free only** for active member and user member

2.Workshop/Webinar which **only** include **Quality Assurance** workshop and **Procedure Design** workshop:

- a. **No** Participants number limitation
- b. **No** Participants performance requirements
- c. **No** Certificate
- d. **Free** for all participants

Quality Assurance workshop (Whole process for IFP design and related validation)

QA workshop in 2022 will focus on the validation of flight procedure, the strategy and sequence of presentation will be:

- 1. Relationship and effects among the Flight procedure design, ground validation and flight validation. (day 1)**
- 2. Ground validation and flight simulation. (day 1)**
- 3. Real cases of flight validation in APAC Region. (day 2)**

Quality Assurance workshop (Whole process for IFP design and related validation)

Time (UTC)	5 th July (First day)	6 th July (Second day)
02:00-02:45		China (Bian Zhenxiao): Navigation database coding of PBN flight procedure for Ali airport
02:45-03:00		Break and Q&A
03:00-03:45		China (Chen Tao): High altitude airport RNP AR flight validation in Ali Tibet
03:45-04:00		Break and Q&A
04:00-04:45		Australia (Sophie JOSHUA): flight validation of new instrument flight procedures for Brisbane's new parallel runway
04:45-05:00		Break and Q&A
05:00-05:45	FPP: Opening & welcome speech FPP: Flight procedure design and related validation	Summary and closing
05:45-06:00	Break and Q&A	
06:00-06:45	France (Corinne Bousquet): Improvement of ground validation (comprehensive verification step methodology and pilot ground validation) to reduce need for flight validation	
06:45-07:30	France (Laurent Guitard): use of thorough flight simulations in a sustainable IFP validation process	
07:30-08:00	Q&A (the end of 1 st day)	

* Please Note that the meeting starts at **different** times on these two days!
