EXPLANATORY NOTES ON THE PROVISIONAL AGENDA ITEMS

MET/IE WG/20 and MET/S WG/12 (Conjoint session – 30 March 2022)

Agenda Item 1: Volcanic ash advisory centre (VAAC) backup tests

The conjoint meeting session will review progress reports on the Regional VAAC backup tests and formulate recommendations for procedures and schedules of future tests.

Agenda Item 2: SIGMET tests

The conjoint meeting session will review progress reports on the Regional SIGMET tests and formulate recommendations for procedures and schedules of future tests.

MET/S WG/12 (30 March – 01 April 2022)

Agenda Item 1: Organizational matters (including election of Chairperson)

Self-explanatory (e.g., opening of the meeting, adoption of the agenda, order of business, etc.). In addition, this agenda item will include the election of Chairperson.

Agenda Item 2: Review of follow-up from previous meetings

The meeting will review progress on follow-up to action agreed at previous meetings.

Agenda Item 3: Planning and implementation of meteorological services

The meeting will review the status of Regional planning and implementation of meteorological service for international air navigation. The meeting may review the results of Regional tests, monitoring and demonstration exercises to identify and address deficiencies in the implementation of the meteorological services concerned.

Agenda Item 4: Quality management of meteorological services

The meeting will review the status of and promote the establishment and implementation of quality management of meteorological services in the Region.

Agenda Item 5: Deficiencies in the provision of meteorological services

The meeting will review and promote progress on the resolution of deficiencies in meteorological services as listed in the APANPIRG list of air navigation deficiencies.

Agenda Item 6: Guidance and education related to the provision of meteorological services

The meeting will review and propose improvements to, or development of Regional guidance materials supporting implementation of meteorological

services. The meeting will also address specific Regional requirements for education activities to support implementation of meteorological services.

Agenda Item 7: Future work programme and terms of reference

The meeting will review, update and revise the future work programme and terms of reference of the MET/S WG as necessary to ensure alignment with the MET SG and APANPIRG objectives related to provision of meteorological services.

Agenda Item 8: Any other business

Self-explanatory

Agenda Item 9: Next meeting

The meeting will make recommendations for the date/location/agenda of the next meeting.
