**Eighteenth Meeting of the ICAO Aeronautical Information Services – Aeronautical Information Management Implementation Task Force (AAITF/18)**

Bangkok, Thailand, 19 – 23 June 2023

## Agenda Item 6: Any Other Business

### ICAO AIR NAVIGATION WORLD 2023

(Presented by the Secretariat)

#### SUMMARY

This paper introduces the *ICAO Air Navigation World 2023* events, which will be held in Montreal, and Singapore in August and October 2023 respectively.

## 1. INTRODUCTION

1.1 The ICAO Air Navigation World 2023 events will be conducted with the dual aims of obtaining stakeholder insight for enhancing an innovation and resilience approach in aviation while augmenting synergies between efficiency and safety, and facilitating global implementation through focused knowledge sharing of mature, tried and tested Air Traffic Management (ATM) ATM procedures in a practical, how-to manner.

## 2. DISCUSSION

### Event 1: Shaping the Skies of Tomorrow

2.1 The first of the events will be held at ICAO Headquarters, Montreal, Canada, from 28 to 31 August 2023. The event theme will be *Shaping the Skies of Tomorrow: Addressing Key Issues and Technologies in Air Navigation and Safety*. Some selected topics included in the programme that may be of interest to the AIM community are:

- Future of the Air Navigation System: Information Revolution – Put data to work and support operations;
- Future of Air Navigation System: Information Revolution – Responsible use of data for a sustainable future;
- NOTAM Replacement.

2.2 Further details are available on the ICAO website at:

Event 2: ATM Procedures for Today

2.3 This first-of-its-kind event will be held in Singapore from 23 to 27 October 2023. Its objective will be to facilitate global ATM implementation through focused knowledge sharing of ATM procedures. While mainly targeting ATM operations, AAITF participants should note that the event programme has not yet been finalized. Further information is available at:
