Sir/Madam,

I wish to invite your Administration to participate in the Webinar on the Usage of Five-Alphanumeric Name-Codes and Five-Letter Name-Codes (5LNCs), which will be jointly conducted by the ICAO Asia and Pacific (APAC) and Middle East (MID) Regional Offices. The webinar will be held on 4 May 2023 from 0700 to 0830 hours UTC.

The primary objective of the webinar is to raise awareness of issues related to:

- 5LNC duplication;
- similar sounding codes in close proximity or on the same flight plan route; and
- differences between 5LNC data registered in ICAO International Codes and Route Designators (ICARD) and published in State Aeronautical Information Publications (AIPs) and how they might be addressed.

Participants will also be provided with details of ICAO provisions for the identification of significant points using 5LNC or five-alphanumeric name-codes.

You are kindly requested to disseminate this invitation to all appropriate entities in your Administration that are involved with the usage of the five-alphanumeric name-codes and 5LNCs. The presentation material will be uploaded to the webinar web-page in due course. Additional information and the link for online registration can be found at <https://www.icao.int/APAC/Meetings/Pages/default.aspx>.

Participants should note the following VTC modalities:

- Video Teleconference link details will be sent to registered participants after the close of registration;
