EXPLANATORY NOTES ON THE PROVISIONAL AGENDA

Agenda Item 1: Organizational matters

The meeting will adopt the working arrangements (e.g. Secretary, Chair/s, hours of business, etc.) and the agenda.

Seminar session: Recent developments in MET service for international air navigation

The Secretariat and invited experts will share information on recent developments concerning the ICAO provisions for meteorological (MET) service for international air navigation.

Agenda Item 2: Review outcomes from previous meetings

The meeting will review outcomes from previous APANPIRG and MET SG meetings, including progress reports from the MET SG's contributory bodies and relevant outcomes from other ICAO meetings.

Agenda Item 3: Air navigation deficiencies

The meeting will review the status of the APANPIRG list of air navigation deficiencies related to MET service. States concerned are invited to provide progress reports on corrective action to rectify the deficiencies. In addition, the meeting will consider proposals to identify and add deficiencies related to MET service to the APANPIRG list.

Agenda Item 4: Regional guidance material

The meeting will review and endorse proposed updates to regional guidance materials supporting the States' implementation of MET service for international air navigation. In addition, the meeting will consider and recommend further development of guidance materials to support the regional implementation of MET service.

Agenda Item 5: Planning and monitoring

The meeting will review planning and monitoring activities supporting the States' implementation of the ICAO provisions for MET service for international air navigation. In addition, the meeting will review proposed amendments to the relevant ICAO Standards and Recommended Practices (SARPs) and ICAO global and regional plans and policies.

Agenda Item 6: Research, development and other initiatives

The meeting will review research, development and other initiatives (such as trials and demonstrations) supporting the States' implementation of the ICAO provisions for MET service for international air navigation.

Agenda Item 7: Future work program

The meeting will review and update the terms of reference and work plan of the MET SG based on the outcomes of the meeting discussions, ensuring continued alignment with the overall goals and objectives of the APANPIRG.

Agenda Item 8: Any other business

The meeting will consider other matters as notified, including the date, venue and agenda for the next meeting.
