

Agenda 3: Matters Arising from RCM TF/11 Meeting

1. Singapore to finalise and report the analysis of the **Needs Survey** at RCMTF/12. This will also be presented as part of the RCMTF progress update at the DGCA/58.
 - To be discussed under Agenda 5a
2. Singapore, Republic of Korea and the United States to consider comments at RCM TF/11 and include examples of good collaboration on training in the **regional training cooperation framework paper** to be tabled at DGCA/58.
 - To be discussed under Agenda 5b
3. New Zealand to launch the **survey on enhancing communication channels** after mid-September, and for the results to be analysed and presented at subsequent RCM TF meetings in 2024.
 - Ongoing

Agenda 3: Matters Arising from RCM TF/11 Meeting

4. **Part I of the APCAC Feasibility Study** has been endorsed at RCM TF/11 subject to amendments to be made.
 - Remove “ICAO panels and working groups” under activities and responsibilities of a CAC
 - Streamline the title “Aims and objectives” to mention either “aims” or “objectives”
 - Strengthening the concluding section for clarity.
 - Pre-conditions could be re-phrased as commitments required in relation to formation of a CAC
 - To be discussed under Agenda 4a
5. **Part II of the APCAC Feasibility Study** to incorporate the comments by the RCM TF and provide an update.
 - To be discussed under Agenda 4b
6. Australia, New Zealand and Singapore to draft the **progress report for DGCA/58**, which would be circulated for endorsement.
 - To be discussed under Agenda 5a
