FREQUENTIS
FOR A SAFER WORLD

Thales LAS France

Thales is the world leader in air mobility solutions. An impressive 2 out of every 3 planes around the world land and take-off with the help of Thales.

We combine half a century's experience in development and deployment with an unrivalled worldwide installed base, advanced technology and ground-breaking innovations to deliver solutions that are continually adapted to the ever-changing aviation system's needs.

Our mission? To connect people and territories in a sustainable way by ensuring safe, secure and fair mobility for all airspace users.

Frequentis Singapore Pte. Ltd.

Frequentis leads the way in open, integrated solutions for safety-critical industries. Helping 400 ATM customers in 150 countries safely transport 95% of the world's passengers, Frequentis offers secure digital technology for efficient airspace management in towers, centres, airports as well as between countries.

As technology partner to the CRV network provider PCCW Global, Frequentis enables CRV subscribers to increase performance, optimise traffic and minimise their carbon footprint for a safer, more secure and sustainable air traffic in the Southeast Asia region.
