Agenda Item 3: Update on ICAO AIG-related requirements and activities

2023-24 ANNUAL WORK PROGRAMME TASK-6 IMPLEMENTATION PROGRESS OF AP-RASP ORG ROADMAP ACTION ITEM 'A.V.3'

(Presented by Task Force 6: Australia)

SUMMARY

This paper informs the meeting on the progress of TASK-6 of APAC-AIG Annual Work Programme 2023-24 and Decision APAC-AIG 11/10. Task-6 focused on the AP-RASP ORG Roadmap Action Item A.V.3 which is; *'Improve the communication of activities and coordination of schedules among regional bodies and meetings, regional workshops/ courses, e.g. via a one-stop calendar of regional events'*. Task Force 6 endeavours to establish a one-stop calendar of regional events and urged APAC States/Administrations to commit to contribute their activities to the calendar on a quarterly basis.

1. INTRODUCTION

1.1 During the APAC-AIG/11 meeting, a Task Force group was formed comprising of an Expert Group (EG) of volunteers to improve the communication of activities and coordination of schedules among regional bodies and meetings, regional workshops/ courses etc via a one-stop calendar of regional events.

1.2 This paper updates the APAC AIG of the progress of this task.

2. DISCUSSION

2.1 Many APAC Regional States/ Administrations hold events, workshops and courses that would be beneficial for other States to participate in to improve the accident investigation capability in the region.

2.2 Collecting and publishing a calendar of all the events scheduled for the region would improve communication and allow States to be aware of potential training opportunities.

2.3 The expert group of volunteers from Australia held two meetings to discuss the most appropriate way to collect information from States and the frequency of which a calendar should be published.

2.4 The expert group is recommending that:

Each quarter, States are contacted via email seeking the details of any upcoming events, workshops and courses that are open to external participation. Information collected will include; Date of event, topic and type of event (training/ workshop/ course), mode of delivery (in-person/virtual), contact details and any associated costs.

- a) Information collected will then be collated into an annual 12 month rolling calendar and be recirculated out to APAC AIG contacts quarterly
- b) The APAC regional office will also contribute other ICAO events to the calendar.

3. ACTION BY THE MEETING

3.1 The Meeting is invited to:

- a) Note the proposed draft calendar format; and
- b) APAC Regional States/ Administrations to commit to contribute their activities to the calendar on a quarterly basis.
