ATFM POINTS OF CONTACT

(Presented by the Secretariat)

SUMMARY

This paper presents the consolidated Asia/Pacific Air Traffic Management (ATM) Contact List. ATFM/SG/14 Participants are invited to provide any updated contact information.

1. INTRODUCTION

1.1 In 2019, the ICAO Regional Office consolidated its various separate contact lists into a single consolidated ATM Points of Contact (POC) List. The List requires regular updating to ensure up-to-date points of contact are recorded.

2. DISCUSSION

Asia/Pacific Air Traffic Management (ATM) Contact

2.1 The consolidated Asia/Pacific ATM POC List is provided in **Attachment A**. It includes Points of Contact for:

- a) Administration (ADM);
- b) Aeronautical Information Service (AIS);
- c) Asia/Pacific Region ATS Route Catalogue (ARC);
- d) Air Traffic Control (ATC);
- e) Air Traffic Flow Management (ATFM);
- f) Airport Collaborative Decision Making (A-CDM);
- g) Contingency Coordination Team (CCT);
- h) Safety (SAF); and
- i) Search and Rescue (SAR).

2.2 The List includes POCs from selected non-APAC States, where there is a need for interregional coordination. It is presented to all appropriate ATM, AIS and SAR-related technical meetings in order to ensure it is kept up-to-date. Accordingly, participants are invited to examine the POCs for their Administration and inform ICAO at the earliest possible opportunity of any changes to the name/s, position title and contact details for the nominated POCs.

2.3 In the event of any difficulty in establishing contact with a nominated POC, or where any relevant administration has failed to nominate a POC, contact the ICAO Asia/Pacific Regional Office for assistance.

2.4 The List will be separately circulated by the Secretariat to all registered participants for update. The meeting is invited to review and update the ATM Points of Contact List, notifying any changes by email to apac@icao.int, with courtesy copy to pchalayonnawin@icao.int. The POC List is maintained and updated by the ICAO Asia/Pacific Regional Office. The list is not provided on the ICAO website due to concerns that its posting in the public arena may result in breaches of privacy and/or IT security.

3. ACTION BY THE MEETING

- 3.1 The meeting is invited to:
- a) note the information contained in this paper;
 - b) update your Administration's POC details; and
 - c) discuss any relevant matters as appropriate.
