COSCAP-SEA SCM/21  
24-25 April 2024  
AGENDA -3a

## Conclusion: 20/4

The COSCAP-SEA Steering Committee, having reviewed the financial report for the year 2020:

1. Urged to clear the dues ASAP for Members who have yet to contribute for 2020,
2. Encouraged for timely annual financial contributions for the unhindered implementation of the annual work plan; and
3. Encouraged its Donor States, agencies and organizations to continue their contributions to COSCAP-SEA.

Pertains to Phase IV, only one state has pendency.

## **Conclusion: 20/5**

1. The COSCAP-SEA SC supported Revision F (Phase-V) of the COSCAP-SEA Programme Document and approved the contents of Part E and F,
2. In addition, the COSCAP-SEA Steering Committee agreed that: Member States to review and provide comments to Parts K, L and M (new legal provisions), confirm the name and position of the official signing the Programme Document on behalf of the State, and provide specific comments on the rest of the document as applicable; and
3. Post processing of comments CTA/PC circulate amended version of Programme Document to Member States for concurrence and approval.

**Completed** (Signed by all States and Sec. Gen.-04.10.2021)
