

ICAO APAC Seminar on Frequency Use
Tentative Programme
ICAO APAC Regional Office, Bangkok, 16 – 18 September 2024

ICT (UTC +7)	Monday/ 16 September 2024	Tuesday/ 17 September 2024	Wednesday/ 18 September 2024
0900-1000	<ul style="list-style-type: none"> ○ Opening ○ Overview of the Seminar objectives, tasks, outcomes ○ Introduction of participants ○ ADM information ○ Group photo 	<ul style="list-style-type: none"> ● Focus on offshore platform <ul style="list-style-type: none"> ○ FAA sharing ○ EUROCONTROL ○ CNOOC 	<ul style="list-style-type: none"> ● Airlines' perspective ● Datalink frequency ● AOC frequency
10:00-10:30	<i>Coffee Break</i>	<i>Coffee Break</i>	<i>Coffee Break</i>
10:30-11:30	<ul style="list-style-type: none"> ● General principles in planning the assignment of aeronautical frequencies. ● ICAO DOC 9718 	<ul style="list-style-type: none"> ● Software and tools <ul style="list-style-type: none"> ○ Europe ○ APAC 	<ul style="list-style-type: none"> ● APT Update on the preparation for WRC-27 ● GNSS vulnerability
11:30-12:30	<i>Lunch break</i>	<i>Lunch break</i>	<i>Lunch break</i>
12:30-14:00	<ul style="list-style-type: none"> ● EUR Doc-011 ● APAC Frequency Management Manual 	<ul style="list-style-type: none"> ● Coordination and processes <ul style="list-style-type: none"> ○ Procedure in Europe ○ Procedure in APAC ○ Interregional coordination 	<ul style="list-style-type: none"> ● Open discussion ● Q&A
14:00-14:30	<i>Coffee Break</i>	<i>Coffee Break</i>	<i>Coffee Break</i>
14:30-15:30	<ul style="list-style-type: none"> ● Frequency situation in Europe <ul style="list-style-type: none"> ○ congestion, ○ 8.33kHz ○ sub-bands, ○ common channels ○ datalink 	<ul style="list-style-type: none"> ● Challenges for aeronautical spectrum at regional level <ul style="list-style-type: none"> ○ APAC VHF COM Frequency use analysis ○ APAC VHF COM allotment plan 	<ul style="list-style-type: none"> ● Summary of discussions and key takeaways from the Seminar ● Closure
