Subject: Interim South East Asia Regional Aviation Safety Team (SEARAST) and National Coordinators Meeting, 27 March 2024, 09:30-13:30 hrs., Bangkok Time, on Zoom

Dear Sir/Madam,

On behalf of SEARAST Team Leader, I am pleased to invite your State to the interim South East Asia Regional Aviation Safety Team and National Coordinators Meeting to be held on Zoom, on 27 March 2024. The details about the Zoom meeting link will be sent to registered participants in due time.

The last virtual SEARAST (SEARAST/22) meeting was conducted on 17-18 November 2021, thereafter it faced discontinuation due to the unavailability of the CTA till August 2023. Recognizing the significance of the outcomes of this meeting, especially as they are reportable in the upcoming Steering Committee Meeting in April 2024, there is an opportune moment to resume the meeting. With the consent of the lead, it has been decided to organize an interim virtual meeting on 27 March 2024, lasting a day and focusing on a select agenda. However, more structured, and face-to-face SEARAST meeting may be scheduled before the next APRAST planned for August 2024.

The provisional agenda, provisional programme and participant registration form for the meeting are attached. Please submit completed participant registration forms by **5 March 2024**. States may submit papers and/or presentations on meeting agenda items by e-mail to sjuntarapratin@icao.int (with copy to: ksingh@icao.int), for review by the Secretariat and circulation to participants. Should you require further information or assistance, please do not hesitate to contact me.

Yours sincerely,

Sudhir Kumar Singh
