# ICAO WORKSHOP ON OVERSIGHT OF IFP -NADI FIJI ISLANDS OCTOBER 2024

- FIJI'S EXPERIENCE AND PROCESSES FOR OVERSIGHT OF  
INSTRUMENT FLIGHT PROCEDURES

ISO 9001:2015 Certified

# PRIMARY AVIATION LEGISLATION

- Challenge
- We do not have any legislative requirements specifically on IFP
- Very slow process in approving the legislative rule by Government
- Civil Aviation Act 1979 Section 149 (3)(b)
- ANR 146 –Issues of Directions and Publications
- Aerodrome Restricting and Removal Orders
- Proposed Part 145G -Certification of Instrument Flight Procedure Design Service Provider is planned to be included in the ANR Review
- •Review is planned to start November 2024.

# SPECIFIC OPERATING REGULATIONS

## STANDARDS FOR INSTRUMENT FLIGHT PROCEDURES

# END

- ANY QUESTIONS

The logo for AFR (American Factory Resources) is a large, stylized, light blue graphic. It features a large, bold 'A' in the center, with 'F' and 'R' on either side, all enclosed within a rounded rectangular border. To the left of the main logo is a purple swoosh with several horizontal lines extending from it.
