Discussion on
Training Compendium Development

APAC Aviation Training Compendium

Objective

- To Promote greater awareness of training opportunities across the region

- To Provide opportunities for collaboration, e.g. co-instructing

➢ One-stop window for integrated and comprehensive information on TRG opportunities and qualified instructors to be shared in the region

Publication

- In PDF, or Online catalogue on the APRO website

- Or, physical course directory

➢ Share ideas on where to be hosted or how to be disseminated

ICAO

APAC Aviation Training Compendium

Scope (Key Information to be included)

- Listing of TRG courses including TRG type, period, ATOs, and other key information

- Listing of TRG courses offered via Cat.1 fellowship and/or scholarship and Cat. 2 with costs

- Listing of qualified instructors by TRG subject, GIS areas with a process of how to share or co-instructing

- Dedicated section for promotions of ATOs and Cities
