Sir/Madam,

I have the pleasure of inviting CEOs or Chiefs of ANSPs of APAC States and their delegates, as well as CANSO, IATA and IFATCA representatives, to participate in the **Fourth Meeting of the APAC ANSP Committee (AAC/4) on 11-12 March 2025 in Bangkok, Thailand**. I would like to take this opportunity to thank the host of the meeting, AEROTHAI.

The objectives of the APAC ANSP Committee are for the ANSPs of APAC States to work more closely with each other in order to accelerate the development of regional ANS initiatives in anticipation of traffic growth in a safe, efficient and sustainable manner. At its first meeting in 2023, the APAC ANSP Committee agreed to adopt a framework to organise the work of the Committee into four work streams:

- WS1: “Step up investments in ANS capacity and capabilities and share requirements and best practices in the procurement of ANS systems”.
- WS2: “Accelerate the development and implementation of Seamless ANS and collaborate on green initiatives to enhance ANS Sustainability”.
- WS3: “Collaborate on business continuity and contingency planning”.
- WS4: “Formation of an Oceanic Working Group specifically focusing on the operations of the oceanic ANSPs”.

Enclosed herewith is the AAC/4 Provisional Agenda (Attachment A). Further information, including the meeting bulletin, will be released at a later date through the meeting webpage at <https://www.icao.int/APAC/Meetings/Pages/2025-AAC-4.aspx>. I request that you kindly complete the online registration of the delegate(s) from your ANSP by 28 February 2025. The registration link is provided on the meeting webpage.

For those ANSPs who have not yet joined the APAC ANSP Committee and wish to do so, I would like to invite you to contact Mr. Raphael Guillet, Chief of the ICAO APAC Regional Sub-Office at [rguillet@icao.int](mailto:rguillet@icao.int). I look forward to your ANSP's active participation.

Please accept, Sir/Madam, the assurances of my highest consideration.

Yours sincerely,
