International Civil Aviation Organization
**Thirty-Sixth Meeting of the Asia/Pacific Air Navigation
Planning and Implementation Regional Group
(APANPIRG/36)**
Bangkok, Thailand, 24 to 26 November 2025
Agenda Item 5: Future Work Programme
APANPIRG WORK PROGRAMME 2026-2027

(Presented by the Secretariat)

SUMMARY

This paper presents proposals for the future work programme of APANPIRG and its contributory bodies for consideration by the Group. The information is presented to States and International Organizations for advance planning/budgetary purposes only and may be subject to change. A formal letter of invitation will normally be issued at least 3 months prior to each event and posted on ICAO APAC website at: <https://www.icao.int/APAC/meetings>.

Strategic Objectives:

- A: **Safety** – Enhance global civil aviation safety*
- B: **Air Navigation Capacity and Efficiency**–Increase Capacity and improve efficiency of the global civil aviation system*
- E: **Environmental Protection** – Minimize the adverse environmental effects of civil aviation activities*

Action by APANPIRG/36 is contained in Section 3.

1. INTRODUCTION

1.1 In accordance with the procedures set out in the APANPIRG Procedural Handbook, at each meeting, the Group should endeavour to agree on the date and duration of its next meeting.

1.2 It may be recalled that APANPIRG/1 Meeting (1991) had decided that the Group should meet once a year in order to allow the contributory bodies to review the various air navigation challenges in the ASIA/PAC Region at regular intervals and recommend solutions.

1.3 It is also the normal practice of the Group to review a tentative schedule of meetings of its contributory bodies for the next two years.

2. DISCUSSION

2.1 It had been agreed earlier that APANPIRG Meetings should be scheduled, taking into consideration the ANC/Council Programme, so that the review of APANPIRG Reports by the ANC / Council could be completed without delay, thus facilitating timely follow-up action by the States and the Secretariat.

2.2 Regarding the periodicity and duration of the Meetings, it is recalled that APANPIRG/28 Meeting (2017) agreed on the need for conducting the APANPIRG Meetings yearly and noted that the duration of three working days was appropriate and provided for continuity, value, flexibility and focus on the implementation of the regional air navigation systems.

2.3 The suggested tentative schedule of Meetings for 2026 and 2027 given below is based on the normal practice followed so far (**Attachment A**). The information is presented to States and International Organizations for advance planning/budgetary purposes only and may be subject to change. A formal letter of invitation will normally be issued at least 3 months prior to each event and posted on ICAO APAC website at <https://www.icao.int/APAC/meetings>.

3. ACTION BY THE MEETING

3.1 The Meeting is invited to agree on the tentative schedule of meetings of the Group and the contributory bodies.
