**Agenda Item 16:** Any Other Business**CNS POINTS OF CONTACT**

(Presented by the Secretariat)

**SUMMARY**

This paper reviews the CNS Points of Contact of Member States listed at the Asia/Pacific Regional Office and requests States/Administrations to update points of contact of CNS contingency planning and administrative support for effective and efficient coordination in CNS aspect.

**1. INTRODUCTION**

1.1 In CNS SG/25, the ICAO APAC Regional Office presented the need for Member States/Administrations to provide their points of contact who would respond in a timely, effective and efficient manner in addressing CNS-related operational deficiencies notified to the Regional Office, and contingency planning due to unexpected disaster, which required the ICAO APAC Regional Office for urgent coordination and follow-up to ensure ANS safety.

1.2 This paper reviews the progress on collecting information for CNS Points of Contact.

**2. DISCUSSION**

2.1 The ICAO APAC Regional Office needs to contact Air Navigation Service Providers (ANSPs) from time to time for CNS-related issues, both for urgency such as cross-border radio frequency interference, network issues, cyber security and follow-up on cyber-attacks etc. and for administrative purposes and regional coordinated planning such as agenda-setting for CNS meetings, required coordination on routing, frequency and radar IC if specific POC is not available, general exchange on CNS, etc.

2.2 The Regional Office requests States/Administrations to update points of contact for **urgency** and for **administrative** purposes in the CNS domain in a timely manner. As of May 2025, ICAO APAC CNS received the corresponding information from 29 (4 more than CNS SG/28) States/Administrations including Afghanistan, Australia, Bangladesh, Bhutan, Cambodia, China, Hong Kong China, **Macau China**, Fiji, **French Polynesia**, India, Indonesia, Japan, Lao PDR, Malaysia, Maldives, **Mongolia**, Myanmar, New Caledonia, New Zealand, Pakistan, **Papua New Guinea**, Philippines, Republic of Korea, Singapore, Sri Lanka, Thailand, United States and Viet Nam. The prompt provision of required information is highly appreciated by these States/Administrations. The information received so far is provided in **Appendix A** to this paper.

2.3 States/Administrations that have yet to provide their CNS Points of Contact are urged to provide the required information by sending it to the ICAO APAC Regional Office at [apac@icao.int](mailto:apac@icao.int) with a copy to [vmeeifuengsart@icao.int](mailto:vmeeifuengsart@icao.int). For States/Administrations that already provided the information, should there be any need to update, please contact the ICAO APAC Regional Office at the same email addresses.
