Dear Sir/Madam,

I am pleased to invite your State/Special Administrative Region to participate in the following ICAO APAC Webinars:

- **Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA)** - 7 May 2025 from 09:00 to 11:00 am (Bangkok time).
- **State Action Plan (SAP) Initiative to Reduce CO₂ Emissions from International Aviation** – 8 May 2025 from 09:00 to 11:30 am (Bangkok time).

The **CORSIA Webinar** will provide updates on key implementation elements, including 2025 monitoring, reporting, and verification (MRV) requirements, as well as the status of CORSIA implementation in the APAC region. In addition, the **SAP Webinar** will highlight the importance of the SAP initiative in achieving the ICAO's Long-term Global Aspirational Goal (LTAG) and provide insights into SAP implementation progress across the APAC region.

To this end, we highly recommend that you ensure your designated CORSIA and SAP Focal Point(s) and/or their delegate(s), which may include members of your National Action Plan Team and other relevant stakeholders, participate in the webinar.

Attachment A-1 provides the provisional agenda for the CORSIA Webinar, while **Attachment A-2** provides the provisional agenda for the SAP Webinar. All webinars-related documents and the online registration form will be available on the Webinar website: <https://www.icao.int/APAC/Meetings/Pages/2025-CORSIA-SAP.aspx>.
