

CAA staff qualification

European Union Aviation Safety Agency

EU-ASEAN Sustainable Connectivity Package Aviation Partnership Project
(EU-ASEAN SCOPE APP)

This project is funded by the European Union and implemented by
the European Union Aviation Safety Agency (EASA)

Your safety is our mission.

An Agency of the European Union

Inspector qualification

The CAA shall establish qualification criteria for the personnel who participate in inspection teams.

→ The qualification criteria shall include:

- a) knowledge of the institutional and regulatory framework, as well as on the relevant international agreements;
- b) knowledge and experience of auditing techniques;
- c) technical competence and practical experience in the relevant domain

ATO Inspector

- Example of Requirement:
- Must hold or have held in the last 2 years, a pilot licence with the relative FI rating
- Follow the CAA requirement too become an inspector
- CAA should process an yearly recurrent training for the regulations update and a 3 years RT cycle relative to HF,CRM and inspection technique

Team leader

- Team leaders and their qualification criteria shall include in addition to those referred to in the previous slide, team management and communication capabilities in an the specific environment and in sensitive situations.

Teams composition

- The CAA shall determine the team composition in order to establish the minimum team size necessary to cover the required technical competencies and workload, taking into account the type of inspection, the scope, the number of domains considered and the expected programme.
- Each team shall have a team leader and one team member as a minimum.
- The CAA shall ensure that, in setting up the teams, there shall be no conflict of interests with the undertakings or associations of undertakings inspected.

Example of regulation

- Commission Implementing Regulation (EU) No 628/2013 of 28 June 2013 on working methods of the European Aviation Safety Agency for conducting standardisation inspections and for monitoring the application of the rules of Regulation (EC) No 216/2008 of the European Parliament and of the Council and repealing Commission Regulation (EC) No 736/2006 Text with EEA relevance
