CAA International, part of the UK Civil Aviation Authority

# Delegate Introductions

- Welcome
  - Health & Safety, Security
  - Course programme, refreshments & breaks
  - Course reference materials
  - Course evaluation forms
  - Course presenter
- 
- Any questions?

# Delegate Introductions

- Tell me who you are?
  - Name, Role, Company
- Describe what you want to get from this workshop?

# Workshop Aim

- This workshop provides delegates with an introduction to aerodrome certification and continuing oversight. Through interactive discussion delegates will learn about key processes, procedures and issues relating to aerodrome certification, plus how an NAA manages continuing oversight.

# Key Topics

- Regulatory framework
- Certification principles & procedures
- Certification legal framework (ICAO regulatory requirements)
- National Aviation Authority (NAA) certification system
- Initial certification (process)
- Assessing the application
- Dealing with non-compliances
- Certification oversight and conducting the audit
- Developing & using audit checklists
- Audit reporting and follow up
- Writing audit findings & observations (including exercises)
- Follow-up (corrective action plans)
- Continuing oversight and enforcement
- Assessing SMS & safety assurance
- NAA procedures/systems for recording/continuing management of the oversight system.
- NAA procedures and checklists
- NAA staff competency and training

# Any Questions?
