COSCAP SEA

Ref.: 688P5 INVL-AIS to AIM 2025-05

15 May 2025

To: Directors General of Civil Aviation and National Coordinators of COSCAP-SEA Member States, CTA, COSCAP-SA and COSCAP-NA.

Subject: Rescheduling of COSCAP-SEA Course on Transition from AIS to AIM, 30 June – 4 July 2025, Bangkok, Thailand.

Dear Sir/Madam,

Please refer to our earlier communication regarding the **COSCAP-SEA Course on the Transition from AIS to AIM, initially scheduled for 19 – 23 May 2025**. Due to unforeseen logistical constraints beyond our control, **it became necessary to reschedule the course**. We sincerely appreciate your understanding and continued interest.

In consultation with ICAO APAC Regional Office, and the Course expert, we are now pleased to confirm that **the course will take place from 30 June to 4 July 2025 at the ICAO Asia and Pacific Regional Office, Bangkok, Thailand.**

The nominated participants from your Administration have been informed individually. In view of the revised course dates, **all participants are kindly encouraged to complete the registration process again** using the updated form provided. We request your support in facilitating any necessary adjustments to their travel arrangements. Should there be any changes in nominations or additional participants, we would appreciate receiving confirmation **no later than 20 June 2025**.

Enclosed with this letter are Attachment A (Syllabus), Attachment B (Programme), Attachment C (Registration Form) and Attachment D (Bulletin) for your consideration

We look forward to your Administration's active participation and are confident that this initiative will significantly enhance regional capacity for the effective transition to AIM.

Yours sincerely,

Sudhir Kumar Singh
Chief Technical Advisor/
Programme Coordinator
COSCAP-SEA Programme
