Enclosed herewith are the FIT-Asia/15 Provisional Order of Business (**Attachment A**), Provisional Agenda (**Attachment B**), Meeting Bulletin (**Attachment C**), and ICAO APAC Regional Office Health and Safety Information for Meeting Participants (**Attachment D**).

I request that the delegate(s) from your Administration who will be attending the meeting complete online registration by **Friday 06 June 2025**, using the link provided in the FIT-Asia/15 meeting webpage at <http://www.icao.int/APAC/Meetings/Pages/default.aspx>. Participants should obtain meeting materials prior to the commencement of the meeting from the meeting webpage.

APAC Administrations are reminded that data link performance monitoring analysis reports were requested to be made available by 28 February each year, to permit their collation into Aggregated Regional Data for reporting to FIT-Asia/15 and the Regional Airspace Safety Monitoring Agency (RASMAG), in accordance with **Conclusion RASMAG/27-2**.

APAC Administrations are also reminded of **Conclusion RASMAG/24-2: Continuous Data Link Performance Monitoring** which *inter alia* urged States to provide narrative information on efforts made to determine the causes of poor performance, action taken to rectify poor performance, and the results of that action, in annual performance monitoring analysis reports to FIT-Asia. Accordingly, States are requested to provide a working paper to the FIT-Asia/15 meeting to facilitate discussion and further analysis of data link performance issues.

APAC Administrations that currently have APANPIRG Air Navigation Deficiencies recorded for failure to meet the data link performance monitoring and analysis requirements of Annex 11 should also be prepared to provide a documented status report of corrective actions taken. If the status report is available well before the **Friday 13 June 2025** Working Paper final cut-off date, then States and Administrations are encouraged to send this data to the meeting Secretariat so this can be included in the relevant ICAO Working Paper.

Yours sincerely,

Tao Ma
Regional Director
