**Subject: Webinar on Free Route Airspace Implementation
in APAC region**

(Video Teleconference, 15-16 September 2025)

Actions required:

- 1) To submit Presentation(s) by **08 September 2025**; and
- 2) To complete the registration by **08 September 2025**.

Dear Sir/Madam,

It is my honor to extend an invitation to your State/Organization to take part in the upcoming **Webinar on the Implementation of Free Route Airspace (FRA)** in the Asia-Pacific (APAC) Region to be held virtually from **15 to 16 September 2025**.

The successful implementation of FRA in air traffic management (ATM) presents a valuable opportunity to enhance the efficiency of civil aviation operations while contributing positively to both economic growth and environmental sustainability. With expected air traffic growth in the Asia-Pacific region, FRA implementation continues to be a strategic priority, as outlined in the APAC Seamless ANS Plan.

As States in the Asia-Pacific region work toward the adoption of FRA, there is a growing demand for practical guidance and the sharing of operational experience. Drawing from international best practices and regional case studies, this two-day webinar will address key procedural and technical elements essential to effective FRA implementation and cross-border coordination. The event will also feature interactive Q&A sessions to engage with audiences.

Accordingly, the ICAO Asia and Pacific (APAC) Regional Sub-Office will host this two-day webinar with the following objectives:

- To address challenges in stakeholder coordination and airspace management during FRA planning and implementation.
- To share data-driven strategies, tools, and metrics to evaluate the operational and environmental benefits of FRA.
- To support the development of procedures and training needed to transition toward FRA.

The webinar is intended for personnel from Air Navigation Service Providers (ANSPs), Civil Aviation Authorities, Airlines, Military Authorities, Airspace Planning Experts, ATM System Providers, and other relevant International Organizations.

States are encouraged to participate in the webinar, and to share the best practices and lessons learned about the implementation of FRA implementation. If you are interested in contributing to the webinar as a speaker, please contact Mr. KWON Hyuk Jin (hykwon@icao.int) of ICAO APAC RSO for more information. To make the webinar productive and effective, it is recommended that States/International Organizations should submit presentations on the above-mentioned subjects by 08 September 2025 via email to the APAC-RSO@icao.int with a copy to hykwon@icao.int.

Enclosed herewith are the Programme Outlines of the Webinar (Attachment A) and Webinar Bulletin (Attachment B). I request that you kindly complete online registration(s) of the delegate(s) from your State/Organization who will attend the webinar by 08 September 2025. The registration link is provided on the meeting webpage, available through the ICAO Regional Office website at <https://www.icao.int/APAC/Meetings/Pages/2025-FRA-IMPLEMENTATION-WEBINAR.aspx>.

Please accept, Sir/Madam, the assurances of my highest consideration.

Yours sincerely,

Tao Ma
Regional Director
