Sir/Madam,

I have the honor to invite you and your representatives to participate in the ICAO Webinar on “*2026-2028 Global Aviation Safety Plan: ICAO’s Global Safety Strategy & What it Means for the National Aviation Safety Plan*,” which will be held through web conferencing from 8:00 to 11:00 Bangkok time (UTC+7) on 21 October 2025.

ICAO will host a webinar to provide the Asia/Pacific (APAC) region with important updates related to the new Global Aviation Safety Plan (GASP) 2026-2028 edition, including:

- Introduction of the 2026-2028 edition of the GASP;
- Updates on Global safety issues and global high-risk categories of occurrence;
- Updated guidance materials for Regional Aviation Safety Plan (RASP) and National Aviation Safety Plan (NASP) development and implementation; and
- The use of the global aviation safety roadmap, standardized frameworks, and GASP indicator forms.

The speaker is a Technical Officer, Global Aviation Safety, Air Navigation Bureau, who is directly involved in the development of the GASP and has extensive experience with the GASP framework.

It is therefore strongly recommended that State/Administration representatives and their industry counterparts involved in the development of RASP and NASP participate in this webinar. To that end, you are kindly requested to forward this invitation to your counterparts in the related government authorities, industry service providers, and other concerned agencies.

Please register through the webinar registration at [\(Click here\)](#). Registered participants will receive the Microsoft Teams link to join the webinar via email. Please send any inquiries you have in this regard by email to [apac@icao.int](mailto:apac@icao.int); [apac.flightsafety@icao.int](mailto:apac.flightsafety@icao.int).

Accept Sir/Madam, the assurances of my highest consideration.

Yours sincerely,

A handwritten signature in blue ink, appearing to be 'Tao Ma'.
