

Discussion on Training Compendium Development

Lia Sunok LEE, Vice Chair
22 Jan 2025, RTCF WG/4, VTC

The lower half of the image features silhouettes of several people standing in a room with large windows. The background behind the silhouettes is a vibrant, multi-colored gradient (yellow, orange, red, purple, blue).

RECONNECTING THE WORLD

01

APAC Aviation Training Compendium

Objective

- To Promote greater awareness of training opportunities across the region
- To Provide opportunities for capacity building collaboration, e.g. co-instructing
- Comprehensive resource for integrated information on TRG opportunities and qualified instructors to be shared in the region

Key Information to be included

- Listing of TRG courses including TRG type, period, ATOs, and other key information
- Listing of TRG courses offered via fellowship and/or scholarship, and ones with costs
- Listing of qualified instructors by TRG subject, GIS areas with a process of how to share or co-instructing
- Dedicated section for promotions of ATOs and Cities

No.	Name	Subject (available TRG course / area)	Accreditation	Contact	Rmks
			ex. ICAO certified		

04 Task Timeline

Target Completion
By 30 Jun 2025

led by ROK & IAAA

❖ by 31 March 2025

- **All States** with ATOs prepare and submit the list course & their instructors to IAAA, ROK including overview introduction of TRG center
 - **Any State or ATO** to send additional promotion info. to IAAA with only 1 page capacity
- **ROK** to make the listing of courses by costs-recovery initiative (Fellowships, Scholarships)
- **APRO** to collate the listing of ICAO certified or recognized instructors by subject and/or GSI area

❖ By 31 April 2025

- **ROK & IAAA** to collate all and edit for dissemination to get 1st feedback by WG and APRO

❖ In May 2025

- **ROK** to finalize draft Compendium to be circulated for final review amongst WG and APRO

❖ 30 June 2025

- **ROK** to publish the APAC TRG Compendium to showcase at the APAC RATS/1 in Singapore and DGCA/60 in Japan

Thank You
