(18 - 19 August 2026, Bangkok, Thailand)

Actions required:

Sir/Madam,

I have the honor to invite you to participate in the Fifth Aviation Medical Assessor and Examiner Workshop, which will be held from 18 to 19 August 2026 at the ICAO Asia and Pacific Office (APAC) in Bangkok, Thailand.

This workshop is designed to provide updates on ICAO activities in Aviation Medicine and recent global developments. Furthermore, it serves as a regional platform for States/Administrations to deliver presentations and engage in case study discussions to share experiences.

To facilitate effective engagement, the Workshop is organized as an in-person event for better interactive discussions. It is recommended that the delegations to the workshop include Aviation Medical Assessors, Aviation Medical Examiners and subject matter experts in Aviation Medicine designated or delegated by your State/Administration. To that end, you are kindly requested to forward this invitation to the relevant Aviation Medical Examiners to participate in this workshop.

The Provisional Agenda of the workshop is enclosed as **Attachment A**. Delegates are strongly encouraged to participate actively in this event by delivering presentations on their work related to Aviation Medicine and sharing national experiences through specific case studies. Both will greatly contribute to the collective learning and regional harmonization of aeromedical oversight.

Useful information for the participants is available on the ICAO APAC website at <https://www.icao.int/APAC/meetingdocs?fid=130089> including the online registration form [[link](#)]. The Workshop Bulletin is enclosed as **Attachment B**.

Participants nominated by your State/Administration or Organization should complete the online registration by 31 July 2026. Presenters are further requested to notify the ICAO APAC of their proposed topics by the same date. Please direct all registrations, topics, and inquiries to apac@icao.int and apac.flightsafety@icao.int.
