

Ref.: 672P6 Audit Techniques for ANS 2026-02

5 June 2026

To: Directors General of Civil Aviation and National Coordinators of COSCAP-SEA Member States.

Subject: Invitation to Audit Techniques & Practices for ANS Safety Oversight Course, 24 – 28 August 2026, Bangkok, Thailand.

Dear Sir/Madame,

I am pleased to extend an invitation to your State CAA to nominate suitable candidates with requisite knowledge and experience to participate in the **Audit Techniques & Practices for ANS Safety Oversight Course, scheduled from 24 to 28 August 2026, at the ICAO Asia and Pacific Regional Office, Bangkok, Thailand.** The course is jointly hosted by ICAO COSCAP-SEA and EASA.

The course aims to equip new Air Navigation Services (ANS) inspectors, as well as inspectors undergoing On-the-Job Training (OJT), with practical knowledge and skills in ANS safety oversight procedures and audit techniques for the oversight of Air Navigation Services Providers (ANSPs). The course covers the following ANS sub-domains: Air Traffic Management (ATM), Aeronautical Information Services (AIS), Aeronautical Charts (Charts), Aeronautical Meteorology (MET), Communications, Navigation and Surveillance (CNS), Procedures for Air Navigation Services — Aircraft Operations (PANS-OPS), and Search and Rescue (SAR).

Each SEA Members States can nominate 3 participants. To ensure smooth logistical and administrative arrangements at the ICAO APAC Office, Bangkok, Thailand, we kindly request confirmation of participation as soon as possible and preferably not later than **20 July 2026**, by submitting the completed Registration Form (**Attachment B**) to ICAO COSCAP-SEA at sjuntarapratin@icao.int, copy to EASA at thita.pongdara.ext@easa.europa.eu. Additionally, enclosed herewith are the Course Syllabi (**Attachment A**), and Course Bulletin (**Attachment C**).

We sincerely thank EASA for their invaluable support and collaboration in organizing this course, and we look forward to your Administration's active participation in this important event.

Yours sincerely,

Sudhir Singh,
Chief Technical Advisor
Programme Coordinator
ICAO COSCAP-SEA
