Ref.: T 6/11.6.1 – AP034/26 (FS)

17 March 2026

Subject: ICAO Workshop on National Aviation Safety
Plans (NASP) Development
(Bangkok, Thailand, 4 to 7 August 2026)

Action required: Nominate and register participants at
your earliest convenience, preferably not later than
30 June 2026

Sir/Madam,

I wish to draw your attention to the Regional Workshop organized by ICAO on the development and implementation of National Aviation Safety Plans (NASP). The Workshop will be hosted at the International Civil Aviation Organization Asia and Pacific Office (ICAO APAC) in Bangkok from 4 to 7 August 2026.

The key objective of the Workshop is to enhance technical capacity and provide the practical experience necessary for States to develop a NASP. By strengthening safety planning and risk prioritization, the workshop aims to assist States in developing a NASP that addresses State-specific safety needs while remaining aligned with both Global Aviation Safety Plan (GASP) 2026-28 and Asia Pacific Regional Aviation Safety Plan (AP-RASP) 2026-28.

Further details regarding the Workshop schedule and administrative arrangements are provided in **Attachment A and Attachment B**, respectively. All workshop materials will be available electronically on the ICAO APAC website prior to the event.

In view of the above, States/Administrations are invited to nominate participants for this workshop. To ensure maximum benefit from the practical sessions, it is highly recommended that nominees be directly involved in the drafting or oversight of their respective NASP.

Please note that final confirmation of attendance for all nominees will be subject to meeting room capacity. In the event that capacity is reached, the ICAO APAC Office reserves the right to limit the number of participants per State to ensure broad regional representation.
