SELF-SUSTAINING TRAINING PROGRAM

9th RTCF/WG Meeting

Regional Training Program Road Map

Regional Training Program Proposal
(RTPP)

INTERIM PROGRAM

1. Interim Training Plan

2 Months

2. Program Consolidation

2 Months

3. Implementation of Interim
Training Plans

3 Years

4. Monitoring

3 Year/
Quarterly

5. Evaluation

3 Year/
Annually

SELF-SUSTAINING TRAINING PROGRAM

1

Identification, Verification, and/or Development of
States Civil Aviation Master Plan (CAMP)

18 Months

2

Identification of States Aviation Training
and Capacity Building Roadmaps

3 Months

3

Workshop on the Aviation Training and Capacity
Building (ATCB) Roadmap for States in Need of
Support to develop theirs

6 Months

4

ATCB Technical Assistance Project for
Specific States

9 Months/
Project

5

Validation of States Aviation Training and
Capacity Building Roadmaps

3 Months

6

Identification of the States training
needs

3 Months

7

Training and Guidance provided to States
in need of support

2 Months/
Project

8

Technical Assistance projects to States
who need support to identify their TNA

Review of States TNAs and Roadmaps,
and development/coordination of
corresponding training plans

3 Months

10

Implementation of Training Programs
identified from the training plans
coordinated within the APAC region

3 Years

11

Post training evaluation of the training
plan to ensure its efficiency &
Enhancement

3 Years/6 Months
after Training

JOURNEY PATH

SELF-SUSTAINING TRAINING PROGRAM

Proposed course of Action:

- Establish Specific Group to Manage Self-Sustaining Training Program
- Develop Detailed Action “ Identification of States CAMP”
- Develop a comprehensive and integrated implementation schedule, including periodic monitoring and evaluation mechanisms.
- Report progress and outcomes to the RTCFWG and RCMTF meetings.

Identification on CAMP & Aviation Training and Capacity Building (ATCB) Roadmap way forward

Identification on CAMP

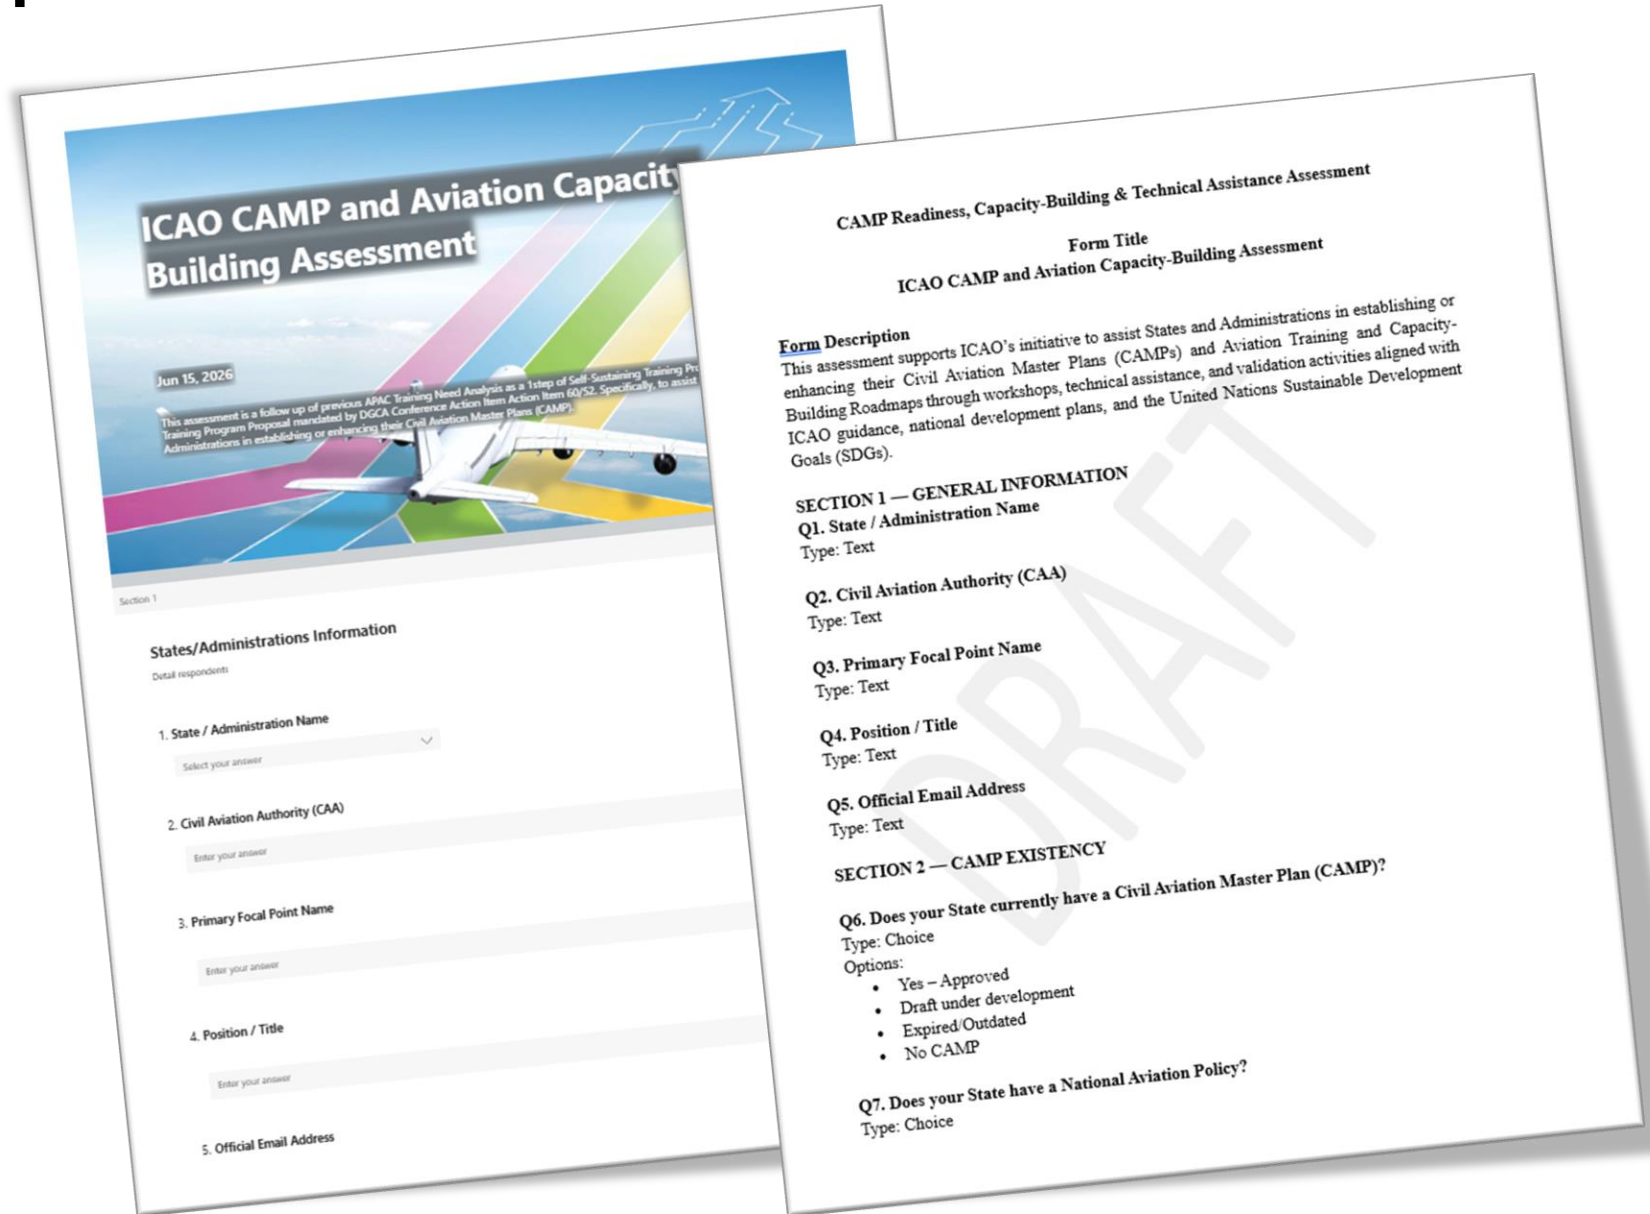

- Drafting CAMP Roadmap Assessment Tools (Questionnaire)
- Assessment Tool Evaluation
- CAMP Assessment Implementation
- Workshop on CAMP Planning
- Technical Assistance on CAMP Development (if required)

Aviation Training and Capacity Building (ATCB)

- Identification of States/Administrations ATCB
- Workshop on ATCB
- Technical Assistance on ATCB Development (if required)

Secretariat Support

As of today, secretariat is preparing draft Questionnaire on **ICAO CAMP and Aviation Capacity-Building Assessment**

The image shows a draft questionnaire titled "ICAO CAMP and Aviation Capacity-Building Assessment". The header includes the date "Jun 15, 2026" and a brief description of the assessment's purpose. The form is divided into two main sections: "SECTION 1 — GENERAL INFORMATION" and "SECTION 2 — CAMP EXISTENCY". Section 1 contains five questions (Q1-Q5) related to the respondent's state and contact information. Section 2 contains two questions (Q6-Q7) regarding the existence of a Civil Aviation Master Plan and a National Aviation Policy. A large "DRAFT" watermark is visible across the right page.

ICAO CAMP and Aviation Capacity-Building Assessment

Jun 15, 2026

This assessment is a follow up of previous APAC Training Need Analysis as a 1step of Self-Sustaining Training Program Proposal mandated by DGCA Conference Action Item 60/52. Specifically, to assist Administrations in establishing or enhancing their Civil Aviation Master Plans (CAMP).

Section 1

States/Administrations Information
Detail respondents

1. State / Administration Name
Type: Text

2. Civil Aviation Authority (CAA)
Type: Text

3. Primary Focal Point Name
Type: Text

4. Position / Title
Type: Text

5. Official Email Address
Type: Text

Form Title
CAMP Readiness, Capacity-Building & Technical Assistance Assessment

Form Description
This assessment supports ICAO's initiative to assist States and Administrations in establishing or enhancing their Civil Aviation Master Plans (CAMPs) and Aviation Training and Capacity-Building Roadmaps through workshops, technical assistance, and validation activities aligned with ICAO guidance, national development plans, and the United Nations Sustainable Development Goals (SDGs).

SECTION 1 — GENERAL INFORMATION

Q1. State / Administration Name
Type: Text

Q2. Civil Aviation Authority (CAA)
Type: Text

Q3. Primary Focal Point Name
Type: Text

Q4. Position / Title
Type: Text

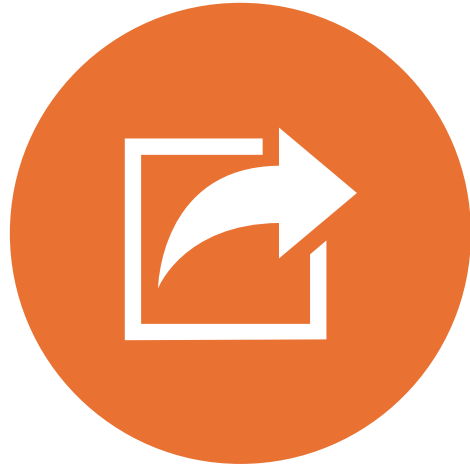

Q5. Official Email Address
Type: Text

SECTION 2 — CAMP EXISTENCY

Q6. Does your State currently have a Civil Aviation Master Plan (CAMP)?
Type: Choice
Options:
• Yes – Approved
• Draft under development
• Expired/Outdated
• No CAMP

Q7. Does your State have a National Aviation Policy?
Type: Choice
