Use Cases

Stakeholder Communications

Inter-Panel Coordination Activities at TFP/3

- Inter-Panel Task Force with CYSECP
 - Forthcoming second edition of Doc 10204 including new revised content agreed with IPTF
 - Requested that the IPTF carefully review terminology for consistency across both Panels
- Review of job cards and WPEs where TFP is a supporting expert group
- NSP: SBAS authentication profiles included in Doc 10169
 - Supporting Job Card NSP.003.04 for SBAS authentication SARPs
 - Also supports SARPs for GALILEO signal authentication in development
- ADOP: Briefing on job card for autonomous surface vehicles at airports

Other Coordination

- Review of ANSIA TF/1 progress
- Focus on completion of Manual on Trust Frameworks to support ANSIA TF work progressing

Next Steps

- Complete draft Manual on Trust Frameworks & use cases
 - In support of ANSIA TF
 - Revisions to documents (10204 & 10169)
 - Begin work on stakeholder communications plan
-
- Next TFP Panel Meeting
 - TFP/4 – 3-7 May 2027

Thank You
