

INTERNATIONAL CIVIL AVIATION ORGANIZATION

**TWENTY SEVENTH MEETING OF THE ASIA/PACIFIC
AIR NAVIGATION PLANNING AND IMPLEMENTATION
REGIONAL GROUP (APANPIRG/27)**

Bangkok, Thailand, 5 to 8 September 2016

Agenda Item 5: Future Work Programme

APANPIRG WORK PROGRAMME 2017+

(Presented by the Secretariat)

SUMMARY

This paper presents proposals for the future work programme of APANPIRG and its contributory bodies for consideration by the Group. The information is presented to States and International Organizations for advance planning/budgetary purposes only and may be subject to change. A formal letter of invitation will normally be issued at least 2 months prior to each event and posted on ICAO APAC website at www.icao.int/apac.

Strategic Objectives:

- A: ***Safety*** – Enhance global civil aviation safety
- C: ***Air Navigation Capacity and Efficiency***–Increase Capacity and improve efficiency of the global civil aviation system
- D: ***Environmental Protection*** – Minimize the adverse environmental effects of civil aviation activities

Action by APANPIRG/27 is contained in paragraph 3.

1. INTRODUCTION

1.1 In accordance with the procedures set out in the APANPIRG Procedural Handbook, at each meeting the Group should endeavor to agree on the date and duration of its next meeting.

1.2 It may be recalled that APANPIRG/1 Meeting (1991) had decided that the Group should meet once a year in order to allow the contributory bodies to review the various air navigation challenges in the ASIA/PAC Region at regular intervals and recommend solutions.

1.3 It is also the normal practice of the Group to review a tentative schedule of meetings of its contributory bodies for the next two years.

2. DISCUSSION

2.1 It had been agreed earlier, that APANPIRG Meetings should be scheduled taking into consideration the ANC/Council Programme, so that the review of APANPIRG Reports by the ANC / Council could be completed without delay, thus facilitating timely follow-up action by the States and the Secretariat.

2.2 Regarding the periodicity and duration of the Meetings, it is recalled that APANPIRG/24 Meeting (2013) agreed on the need for conducting the APANPIRG Meetings yearly and noted that the duration of four working days was appropriate and provided for continuity, value, flexibility and focus on the implementation of the regional air navigation systems.

2.3 The suggested tentative schedule of Meetings for 2017 and 2018 given below is based on the normal practice followed so far. The information is presented to States and International Organizations for advance planning/budgetary purposes only and may be subject to change. A formal letter of invitation will normally be issued at least 2 months prior to each event and posted on ICAO APAC website at www.icao.int/apac. Other special co-ordination and Task Force/Working Group Meetings will also be convened during the year 2017, as necessary.

3. ACTION BY THE MEETING

3.1 The meeting is invited to agree on the tentative schedule of meetings of the Group and the contributory bodies.
