DANGEROUS GOODS PANEL (DGP)

MEETING OF THE WORKING GROUP OF THE WHOLE

Montreal, 18 to 22 April 2005

BIOLOGICAL SUBSTANCE, CATEGORY B WITH SUBSIDIARY RISKS- PACKING INSTRUCTION 650

(Presented by M. Hinoul)

1. INTRODUCTION

1.1 Although there was an agreement in principle by the Working Group about WP/50, it was requested to review the wording.

Consequently, text should be changed as follows:

2. PROPOSAL

2.1 Add following additional words to the second sentence of PI 650 Par. 13:

A quantity of 30 ml or less of dangerous goods included in classes 3, 8 or 9 may be packed in each primary receptacle containing infectious substances provided these substances meet the requirements of 1; 2.4.2 and 1;2.4.3. When these small…
