DANGEROUS GOODS PANEL (DGP)

MEETING OF THE WORKING GROUP OF THE WHOLE

Montreal, 18 to 22 April 2005

Agenda Item 2: Development of recommendations for amendments to the *Technical Instructions* for incorporation in the 2007/2008 edition
2.1: Part 1 — General

ADOPTION OF ADDENDA

(Presented by Judith Code)

1. BACKGROUND

1.1 Canada experienced significant legal difficulties introducing Addendum No. 2 to the 2003/2004 ICAO TI's into law. This was because it was seen to be a separate legal document from the TI's and therefore required registration through our regulation making process.

1.2 A minor amendment to the ICAO TI's may avoid this difficulty with future amendments.

2. PROPOSAL

2.1 Amend Part 1; 1.1.1 by adding the following text:

"An addendum to the 2007-2008 Edition of the ICAO Technical Instructions for the Safe Transport of Dangerous Goods by Air issued by ICAO is part of that edition of the Instructions."
