WORKING PAPER

DGP-WG/05-WP/24
21/3/05

DANGEROUS GOODS PANEL (DGP)

MEETING OF THE WORKING GROUP OF THE WHOLE

Montreal, 18 to 22 April 2005

Agenda Item 2: Development of recommendations for amendments to the *Technical Instructions* for incorporation in the 2007/2008 edition
2.3: Part 3 — Dangerous Goods List and Limited Quantities Exceptions

DIVISION 2.2 IN LIMITED QUANTITIES

(Presented by G A Leach)

1. BACKGROUND

1.1 Part 3;4.1.2 of the Technical Instructions lists those dangerous goods which are permitted in limited quantities, including 2 references to division 2.2 i.e. firstly in combination with division 2.1 in allowing aerosols and UN2037 without subsidiary risk and secondly "without subsidiary risk but excluding refrigerated liquefied gas". It is suggested this second reference is redundant, as the only division 2.2 gases permitted in limited quantities are aerosols and UN2037. It is also suggested that for consistency "aerosols" should be replaced with "UN1950".

2. PROPOSAL

2.1 It is proposed to amend Part 3; 4.1.2 as follows:

Divisions 2.1 and 2.2	~~Aerosols~~ UN1950 and UN 2037 without subsidiary risk
~~Division 2.2~~	~~Gases without subsidiary risk but excluding refrigerated liquefied gases~~
