DANGEROUS GOODS PANEL (DGP)

MEETING OF THE WORKING GROUP OF THE WHOLE

Abu Dhabi, 4 to 8 October 2004

DGP POSITION ON USE OF RIGID OUTER PACKAGINGS FOR CATEGORY B INFECTIOUS SUBSTANCES

A paper has been submitted to the 26th session of the UN Sub-Committee of Experts on the Transport of Dangerous Goods (SCETDG) that proposes to authorize either a rigid outer packaging or a rigid secondary packaging (see ST/SG/AC.10/C.3/2004/94 in IP/4) in P650. Considering that the requirement for a rigid outer packaging for Category B infectious substances in P650 was recently decided during DGP 19, the Panel is asked if they wish to advise the SCETDG of its views.
