USAP-CMA Objective

The objective of the USAP-CMA is to promote global aviation security through continuous auditing and monitoring of the aviation security performance of Member States.

USAP-CMA Objective

This objective is achieved by:

- data analysis on the aviation security performance of Member States;
- identification of deficiencies in the overall aviation security performance;
- prioritized recommendations to assist Member States in addressing identified deficiencies;
- evaluation and validation of corrective actions taken by Member States;
- re-assessment of the aviation security performance of Member States.

USAP-CMA Activities

Documentation-based audits

Oversight-focused audits

Compliance-focused audits

Other audit and monitoring activities

State's Aviation Security Performance Indicators

The State's aviation security performance is defined as the State's level of implementation of the critical elements of an aviation security oversight system and the State's degree of compliance with Annex 17 Standards and security-related provisions of Annex 9.

Compliance Indicator

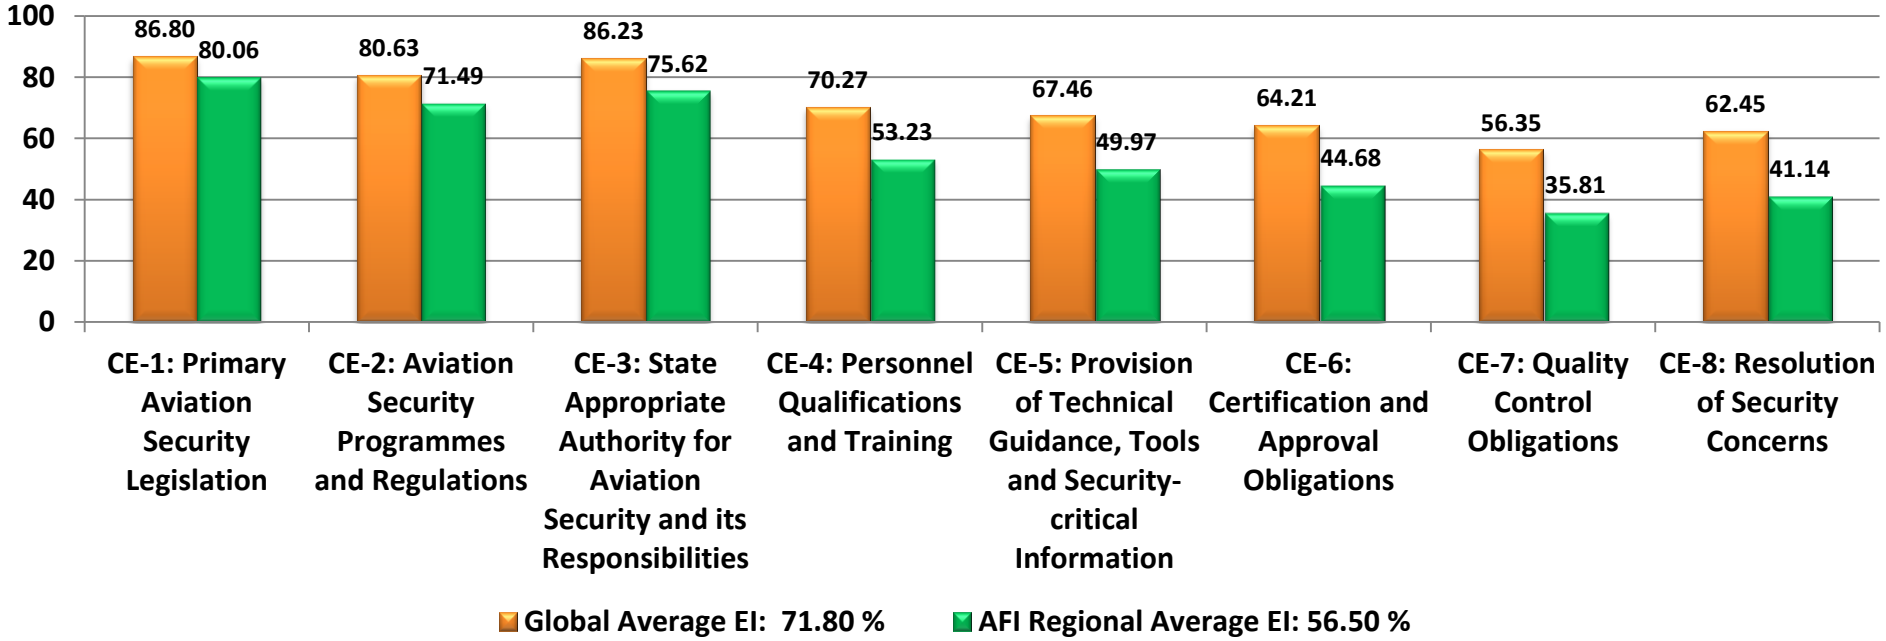

Average compliance with Standards of Annex 17 and average compliance with security-related provisions of Annex 9.

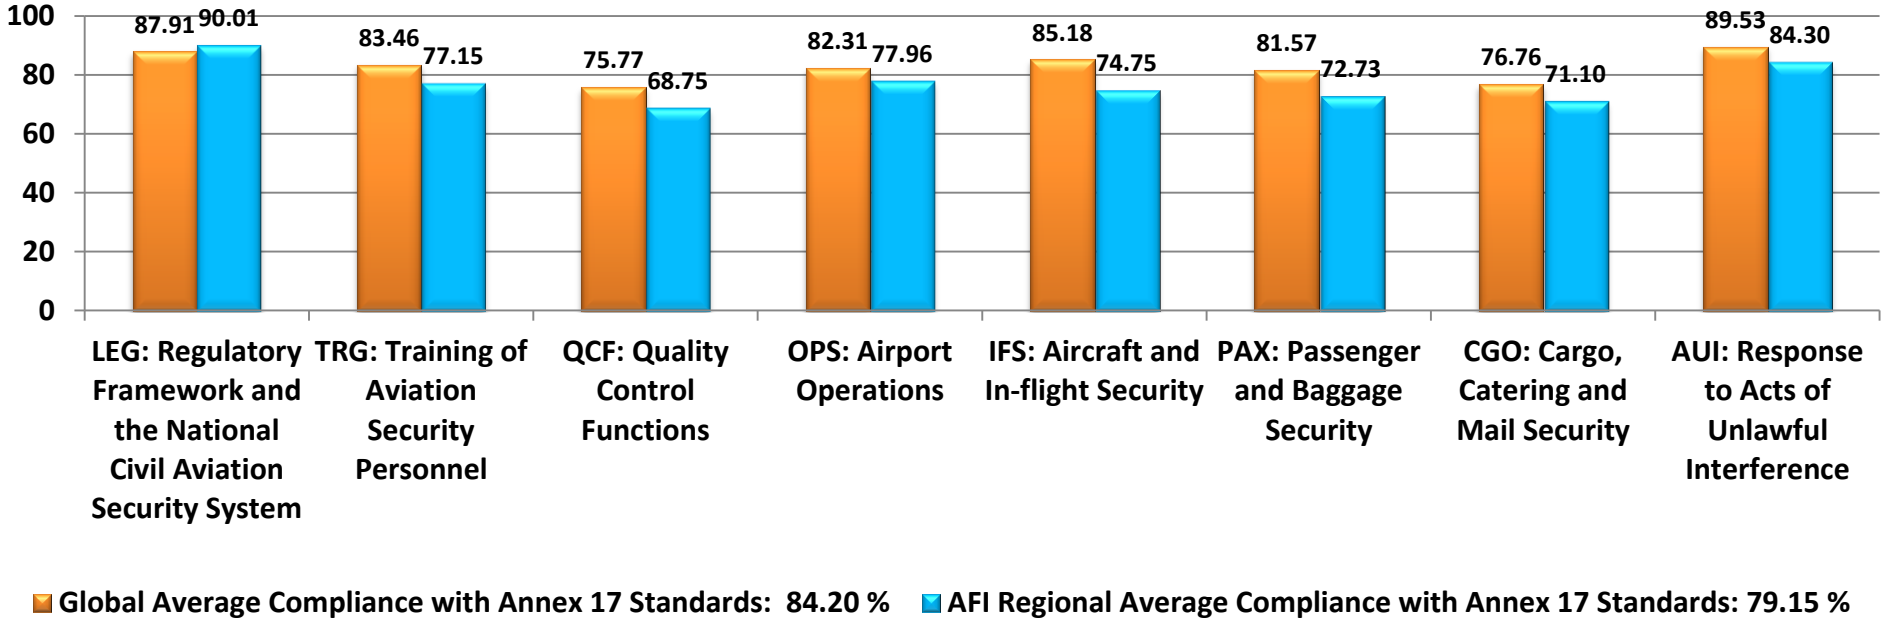

Oversight Indicator

Average effective implementation of the eight critical elements of an aviation security oversight system.

Global and AFI Regional Average Effective Implementation of Critical Elements

Global and AFI Regional Average Compliance with Annex 17 Standards

USAP-CMA related activities in AFI

- USAP-CMA Auditor Training and Certification Course: (42 certified USAP-CMA auditors from 19 AFI States)
- Regional USAP-CMA Seminar (2014-2015): Nairobi, Dakar and Cairo (110 participants from 38 States) 2016: Nairobi from 2 to 4 August
- USAP-CMA Audits

Signature of the USAP-CMA MoU

- Instructions distributed via EB 2014/45
- A single MoU to govern all future activities
- All States urged to sign MoU
- All States urged to accept audit dates proposed by ICAO

ICAO

THANK YOU
