Ref.: ES AN 3/24 - 0358

11 August 2026

Subject: ICAO Aircraft Classification Rating/Pavement Classification Rating (ACR/PCR) Workshop - Johannesburg, South Africa (15 – 17 September 2026)

Action Required: Confirmation of participation not later than 20 August 2026

Dear Sir/Madam,

I wish to invite your State/Administration/Organization to attend the Aircraft Classification Rating/Pavement Classification Rating (ACR/PCR) Workshop which will be held at the ATNS school in Johannesburg South Africa, from 15 to 17 September 2026. The tentative Workshop Programme is attached.

The workshop will feature a technical and hands-on activity conducted by Mr. Jeff Crislip and Mr. Naveneet Garg, the Subject Matter Experts from US FAA, covering the following areas:

- 1) Pavement Design Concepts & 150/5320-6G Design Process;
- 2) Pavement Management (FAA AC 150/5380-7B) & ACR/PCR Concepts (FAA AC150/5335-5D); and
- 3) FAARFIELD (introduction, design examples, Aircraft Classification Rating (ACR) and Pavement Classification Rating (PCR).

Due to the limitation of the classroom size and difficulty to provide the classwork for a hands-on workshop of this kind, I would appreciate if you could, submit your nominations preferably not later than **20 August 2026**. Please confirm the participation of your State/Administration/Organization by sending names of your nominees to the ICAO ESAF Office at icaoesaf@icao.int copied to EOmuya@icao.int and LNdegwa@icao.int. You are welcome to register an additional participant; however, please note that confirmation will be subject to seat availability. To ensure equitable representation across States, we will prioritize a balanced distribution of participants while also considering registrations on a first-come, first-served basis.

Once your registration is approved by ICAO, a confirmation email will be provided to the individuals nominated by the State/Administration/Organization. All confirmed participants are required to bring their own laptop to install [FAARFIELD application](#) and [ICAO- ACR 1.4 program](#).

Yours sincerely,

Lucy Mbugua
Regional Director
