Dear Sir/ Madam,

I wish to refer to the Assembly Resolution A42-22 and Annex 16, Volume IV to the Convention on International Civil Aviation concerning the Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA). The effective implementation of this Scheme continues to require active engagement by States, airline operators and other stakeholders to ensure timely and accurate compliance with its Monitoring, Reporting, Verification (MRV) and offsetting requirements.

To support Member States of the Eastern and Southern African (ESAF) and Western and Central African (WACAF) regions, I have the honour to invite your Administration to participate in a virtual ESAF/WACAF CORSIA Workshop, to be held as follows:

- **Date:** Thursday, 12 November 2026
- **Time:** 0900 – 1200 UTC
- **Registration:**
  - Format: Virtual (Registration link available on: https://events.icao.int/event-details?campaignID=43E78066-57BE-F111-814D-6045BDCD3FB8)
  - Deadline: 30 October 2026
- **Languages:** English and French.

The workshop is intended for State CORSIA Focal Points, airline operators and other interested stakeholders, including relevant government departments such as those responsible for Environment and Energy. The workshop will address, inter alia: the status of CORSIA implementation across the ESAF/WACAF regions; emissions MRV requirements; the 2025 SGF; calculating offsetting requirements and the use of CORSIA Eligible Emissions Units (CEEUs).
