									EMD311226 PARIS ACC : extension of a group of sectors DOC by adding several sectors This channel is also used by SEVILLA ACC, and the two assignments present a 29.68 NM overlap (F 10737 vs E 1100) The requested DOC extension does not change this overlap, the 29.68 NM remain. On this basis, Spanish FM Maite Otero Etulain gave an acceptance to this request
