The Danish coordination during Covid-19

Presentation:

A different story and some different perspectives on the lessons learnt from coordination and cooperation during a global health outbreak

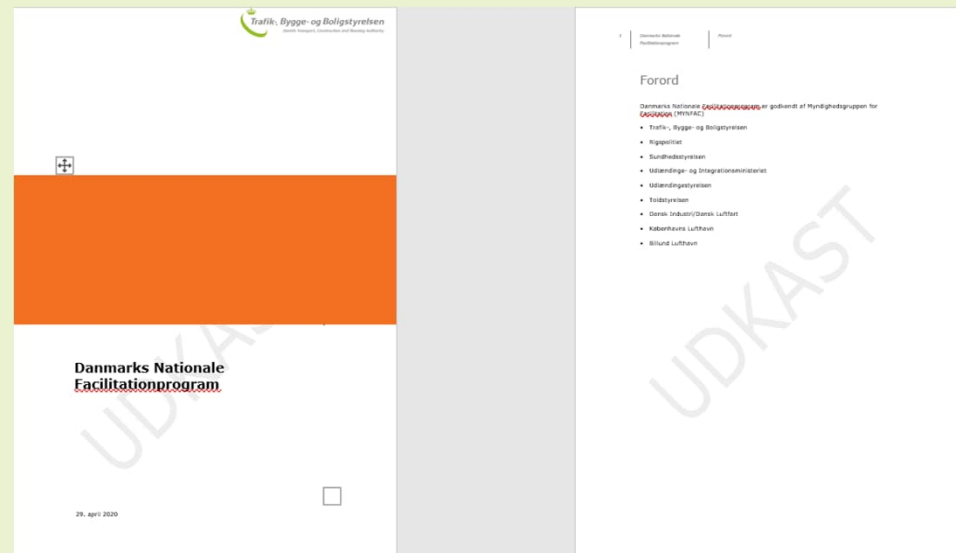

Danish National FAL Programme and Committee

The Programme and the Committee

- Denmark is compliant with the standards of Annex 9
- The 'Golden Opportunity'
- Further coordination was needed

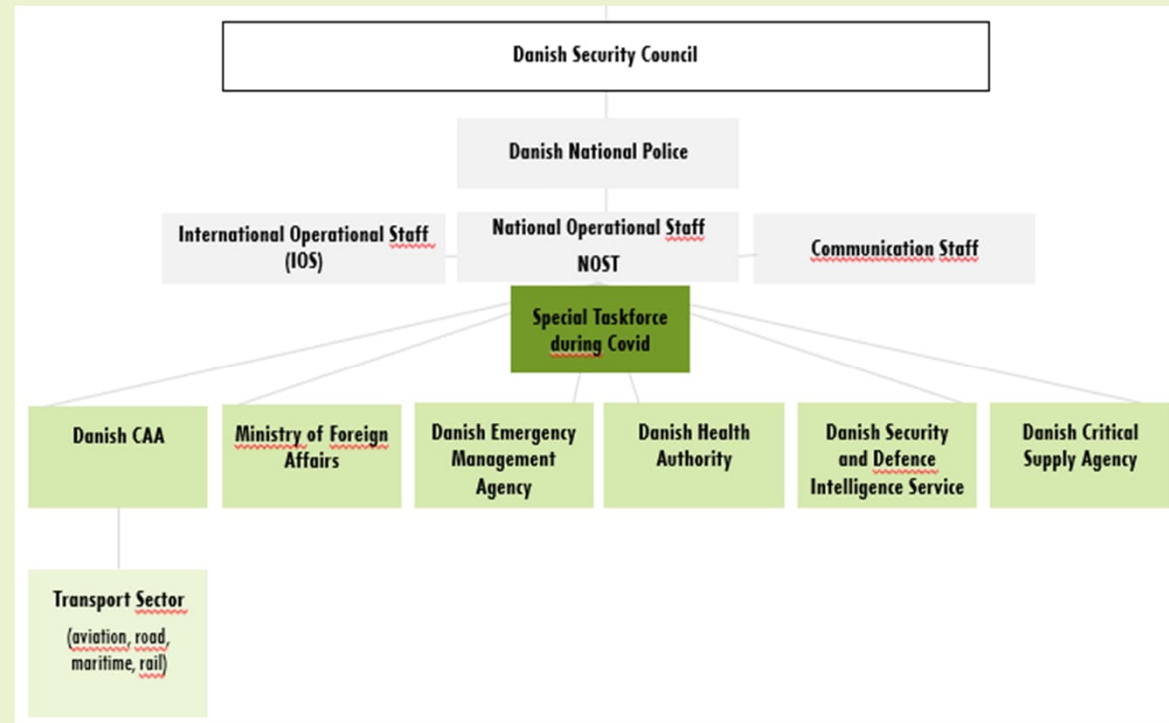

Introducing the 'NOST'

National Operational Staff (committee)

- Organized within the Danish National Police
- Communication unit
- Danish Civil Aviation and Railway Authority acts as link to the transport sector
- Flexible/taskforce
- No need for the Danish FAL Committee

Future resilience

Starting over

- Coordination and communication is the key
- "Knowing your friends"
- Further work and coordination is still needed

Thank you
